

Patterns

Here's an example of a beautiful Samoan Siapo cloth. See if you can find out more about how they are made, traditionally.

<https://suzy.co.nz/sw-homelearning/>

Can you see rotation in my pattern? When a shape is turned

How about translation? (When a shape is shifted along a line)

And reflection? (just like the reflection in the mirror)

The brickwork is an example of a simple tessellation (shapes closely fitted together, repeated over and over again)
